PART I—Section 1**Notifications relating to Non-Statutory Rules, Regulations and Orders and Resolutions issued by the Ministries of the Government of India (other than the Ministry of Defence) and by the Supreme Court****PRESIDENT'S SECRETARIAT***New Delhi, the 22nd October 1959*

No. 56-Pres/59—The President is pleased to award the Police Medal for gallantry to the undermentioned officer of the Uttar Pradesh Police—

Name of the officer and rank—Shri Virendra Chandra Upreti, Radio Head Operator No 575 Uttar Pradesh Police Radio Section.

Statement of services for which the decoration has been awarded.—In September 1957, a sudden deterioration in weather conditions resulted in the closure of the 18000 ft Khangru and Unta Passes in the Almora District. In consequence detachments of the Uttar Pradesh Provincial Armed Constabulary located at strategic points at over 16000 feet near Lathpal Sanchmala and Topidunga were completely cut off. Wireless messages from the detachments reported that supplies had been exhausted and the weather was daily getting worse. From September 15th to 20th all efforts by the base depot at Milam to rush up relief and supplies proved futile and the detachments were faced with starvation. Efforts were made to drop supplies from the air but when these did not materialise by the 23rd September, the detachments at Sanchmala and Lathpal left for Choodang. Attempts to airdrop supplies on the 24th and 25th were also unsuccessful as the plane failed to observe the ground signals put out by the stranded personnel. In desperation the contingent made its way to Topidunga after crossing the Khangru Pass leaving all their equipment there it being physically impossible to carry it over with them. In the meantime, they were informed that an airdrop would be arranged on the 26th September between 08 30 and 09 30 hours at a place called Lauka.

On the morning of the 26th September, Head Operator Virendra Chandra Upreti who was in charge of the Radio Station at Sanchmala made a bold bid to reach Lauka with his wireless set which he had managed to bring with him across the Khangru Pass before the appointed hour. Single handed and carrying the wireless equipment on his back he made his way through heavy snow and succeeded in reaching Lauka and establishing the station there at 8 O' clock. At about 09 06 hours the plane of the Indian Air Force carrying the supplies arrived but as low flying over the place was impossible it being hemmed in by very high mountains on either side, the plane could not locate the party. At this juncture Shri Virendra Chandra Upreti showing great initiative changed over the frequency of his transmitter to that of the aeroplane and established contact with it. At first the pilot of the plane did not pay any attention to his signals but later started to follow them. In the meantime the Head Operator who was in charge of the Radio Station at Lathpal also arrived and together they guided the plane until it observed the ground signals put out by the party and the entire supplies were dropped without any loss.

By his courage and initiative Head Operator Virendra Chandra Upreti helped to save the lives of some 48 officers and men of the Provincial Armed Constabulary 41 traders who had been trapped in the snow bound area and 12 muleteers and their mules.

2 This award is made for gallantry under rule 1(i) of the rules governing the award of the Police Medal and consequently carries with it the special allowance admissible to officers of and below the rank of Inspector of Police.
